Re: Special Access Rates for Price Cap Local Exchange Carriers, WC Docket No. 05-25

Dear Ms. Dortch:

On May 9, 2011, Chris Frentrup and Angela Zimmer (via telephone) of Sprint Nextel Corp. (Sprint) and the undersigned met with Eric Ralph and Kenneth Lynch of the Wireline Competition Bureau, on the topic of special access reform. We discussed the Highly Confidential data filings Sprint has filed in this docket and how the Commission could design a data request to understand special access pricing. We discussed the need for data uniformity and a practical way for the Commission to be able to analyze and compare large sets of data. Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced docket. If you require any additional information please contact the undersigned.

Sincerely yours,

/s/ Paul Margie
